Spring 2012

Time has been flying! Here are some of the things we have been involved with over the past few months.

We started the year at a biannual regional missionary retreat in South Africa, where we were ministered to by Rev. Lowell Harrup and a team from Northland Cathedral in Kansas City. It was a wonderful time of refreshment, seeing supporters and renewing missionary friendships. In March we went back to South Africa for the annual Southern Africa Assemblies of God Alliance and a regional Global University Conference!

John continues to spend a lot of his time teaching courses, both in Lusaka at the Ministry Training Center and in Kitwe at Trans-Africa Theological College. This is the primary focus of his ministry—equipping the leaders that God has raised up to serve His church in this part of Africa. In addition, John recently held a seminar for the leaders of Gilgal Mission Center, a large church near where we live. He has also been working with Northmead Assemblies of God in advising them as they set up a local leadership training center.

Dawn teaching ladies to read

Dawn continues to focus on adult literacy. In February she started a new class in Bauleni for Bemba speakers and is also assisting a church leader who is teaching Nyanja speakers how to read. This time through she is training a couple of the ladies who took the class last year to do some of the teaching. She is also doing a more thorough revision of the curriculum.

Thanks for your prayers and monthly financial commitments that have made all this possible! We deeply appreciate your allowing us to be your missionaries in this part of the harvest field!

Prayer Requests:

1. Next week we take a trip to a new area for us in Northern Province. John will teach a group of pastors and Dawn will be helping out with a literacy program. Pray for safety and the Lord's blessing on our ministry.
2. Please also pray for health for us and our family members in the States.
3. Pray for Dawn as she continues to develop the literacy program.
4. And pray for John as he continues to teach and oversee the Global University program here.

Trans-Africa Theological College students

John & Dawn just finished serving as the hosts for a teacher training workshop led by Dr. Murriell McCulley which was attended by people from Malawi, Zimbabwe, and Zambia. This gave us a chance to meet some former students from Zimbabwe, including Rev. Tsungayi Chinyama who is now Gen. Superintendent there.
