August 2013

## We Are Back in the States!

We returned to the States at the end of June and spent the first couple of weeks with our parents in Wisconsin (where Dawn's Mom turned 90) and Nebraska (where John's Dad turned 93)! After spending time with family and settling back in to life in the States, we are now happy to be ministering once again about the many victories and also the great needs that are all a part of the mission field in Africa.

## We Are Looking Forward to Sharing About Zambia!

During the last four years, many good things have happened in Zambia. People continue to find Jesus as their Savior and Lord and the churches of Zambia continue to grow. Many leaders have been trained and taken their place in the churches there. We thank the Lord for His continued blessing on the churches we are working with. And you, through your prayers and faithful financial support, have played a key part in all this! We are looking forward to visiting you, our partners, and sharing in person about what we have seen happening in our part of Africa.

## Please Contact Us About a Service!

Over the next year we want to get back to all of our supporting churches. We have been able to schedule a number of services already for this fall, but there are still some openings, and much of next spring and summer is wide open. If you are the one responsible for scheduling missionaries, please drop us an e-mail or call us about a time we can come that will work for you.

## Twenty-Five Years!

August 2013 marks the 25th anniversary of our arrival in Africa, way back in August 1988. We thank the Lord for allowing us to serve Him in first Zimbabwe and now Zambia. Lord willing, we plan on returning to Zambia next year about this time for one last full term of service. With your support and prayers we plan on further expanding the training of church leaders and helping train more workers Will you partner with us and help make 2014-2018 the best years yet?
