Investing in Africa's church leaders & enabling believers to read God's Word ...to bring in the Harvest!

Summer 2014

We began our year of itineration last summer, and have traveled some 35,000+ miles holding over 100 meetings in 9 states. Now we're anxious to return to Zambia! John wants to get back in the classroom with church leaders, and Dawn is looking forward to holding workshops for those interested in teaching others how to read in Bemba! But we are still almost \$1200 short of reaching the goal for our monthly budget. That is a lot, but we believe it is possible to make up that shortfall and leave for Zambia about November 1st.

If 12 churches would commit to an additional \$100 per month, or if 60 new churches or families would commit to helping us with \$20 per month our budget would be met and we could head back to Zambia and get back to the work to which God has called us!

Many of you are already faithfully supporting us financially, for which we are so thankful! We pray that the Lord may abundantly bless you! If you are not currently supporting us financially, would you prayerfully consider doing so? You can find out how to do this on our web page or on our page at agmd.org (see the links below).

John has recently overhauled our website to make it friendlier for those viewing it with smart phones. Take a look at www.JD-Elliott.net! And the AGWM site for missionaries has been recently upgraded. Stop by and take a look at our page there at <http://www.agmd.org/u/TheElliottsinAfrica>. You will find links on both pages to secure sites where one-time gifts and regular financial commitments can be made.

Prayer Needs:

1. Will all of you who read this join us in praying that the Lord will speak to the hearts of those He is calling to partner with us in this ministry to the people of Zambia, and that the remaining portion of our budget will be raised over the next 2-3 months?
2. We will be in Springfield, Missouri, for the Centennial Celebration. We will be hosting Bishop Wilson Phiri, one of our national leaders from the Pentecostal Assemblies of God (Zambia). We would appreciate your intercession for the meetings and for a mighty move of God's Spirit in our midst!
