Investing in Africa's
church leaders &
Enabling believers to
read God's Word

...to bring in the harvest

In Zambia!

Summer 2015

Our missionary team. We have been holding meetings as we seek to re-evaluate what we are seeking to accomplish in Zambia. Lance & Mindy Hines joined us for the meeting in April. John is still serving as the team leader.

John & Dawn with our Speed the Light Land Cruiser on a ferry.

We are crossing the Zambezi River on our way to a Southern Africa Assemblies of God meeting in Johannesburg. The car is now 11 years old but is still in pretty good shape. Thanks to the youth of the Northern Missouri District for helping refurbish it!

Dawn has held four adult literacy workshops to train teachers how to pass on the gift of reading to Zambians who need help in this area. The primary goal of this outreach is to enable people to read the Word of God for themselves.

Teaching pastors and church leaders. Over the past few months John has team taught two courses at the Ministry Training Center with fellow missionary Charles McMillen. He has really enjoyed being back in the classroom! And it has been great renewing relationships with these precious servants of God!

John's trip back to Zimbabwe. In May John went to a General Council meeting in Zimbabwe. He was asked to preach for a special Sunday service. Here he is speaking to Rev. Chimsoro and Rev. Kachikopa who served as Gen. Superintendents during our years there, from 1988 to 2002. There are now 100 churches in Zimbabwe!

Handover of Mumbwa Tabernacle. Rev. Munene, one of John's Global University students, has recently planted a church in Mumbwa. Thanks to the Mississippi District and Rev. McGlawn's efforts, we were able to bless the new church with a tabernacle. John is here speaking to those gathered for the handover service.

Thanks for your faithful support that made all this possible!
