June 2016

Investing in Africa's  
church leaders &  
Enabling believers to  
read God's Word

...to bring in the harvest

**In Zambia!**

**Teaching church leaders** continues to be the primary focus of John's ministry. For the students he regularly teaches, the emphasis this year will be courses on Bible content. In the top picture, John is teaching a survey of the Old Testament. There are also a growing number of church leaders who have moved beyond the 30 courses offered at the Ministry Center and are working on their B.A. degrees directly with Global University under John's supervision. Also pictured is a class of leaders taking a course in pastoral counseling. These men and women lead a number of rural churches in northern Zambia. It was so interesting to hear their perspectives on the issues discussed!

In April we made a trip to South Africa for the annual meeting of church leaders from across southern Africa called **SAAGA** (Southern Africa Assemblies of God Alliance). In addition there was a meeting of **AGWM missionary team leaders**. We enjoyed the fellowship and the chance to catch up on what other churches and our fellow missionaries are doing in their respective countries!

In May we hosted a **team from Bellevue Christian Center** in Bellevue, Nebraska, which is one of our supporting churches. Over a period of 10 days they visited several churches and held seminars on children's ministry and worship/music. In addition, Rev. Herbie Thompson and Ashley McFeely team-taught a course on public speaking at the Ministry Center. All of their ministry was well received! We also squeezed in a trip to Victoria Falls and got to see some elephants, hippos, and crocodiles! We thoroughly enjoyed the time we got to spend with them and hope they will come again. If you are also interested in sending a team you are welcome to contact us about that.

**Please pray for the leadership of all three of our national church partners.** In August the Pentecostal Assemblies of God will be having their General Conference and electing a new slate of national leaders. Grace Ministries just chose a new Presiding Bishop, Newton Mulenga. Please pray for him and the selection of various national and regional leaders that will take place over the next few months. The Assemblies of God in Zambia will also be having a General Council in August. They have no elections scheduled, but pray for God's leading for Bishop Mando and those working with him.

*Thanks for your partnership with us. Your prayers and faithful support are making an impact for Christ!*
