Spring 2017

Our Short Deputation

In March we came back to the States for a brief, four month itineration. We still have a few open dates on our calendar. If you are interested, please give us a call at 636-492-1030. We hope to see many of you before we head back to Zambia in early July!

Recent Graduation

In this newsletter we want to focus on the graduation that was held in January. It was a precious time, as we recognized their hard work and achievement, and gave glory to the Lord!

Over forty students received Christian Service certificates and Advanced Certificates. These men and women serve as pastors and church leaders in churches across the city.

Bishop Mitemi, the guest speaker, challenged the graduates to serve the Lord faithfully.

Rev. Elijah Simwanza, John's former student, hands a certificate to one of those graduating from his center in John Laing.

Rev. Oliver Banda, one of John's former students, now has his masters degree and has been helping John with the teaching at the center in Chelstone.

Nehemiah Muwema was recognized for completing his B.A. degree with Global University!

Thanks for your prayers and faithful financial support that made this day possible!
